## A Message from Mrs. Morrow

Thanksgiving is here and this year I have so much to be thankful for! In addition to my family, I am beyond grateful for my St. Paul family— staff, students, parents, and community members! The blessings each of you have bestowed upon me is so special and unique! Thank you from the bottom of my heart!

This week I want to celebrate **Living the Mission** by sharing how our students are **Living the Mission** of excellence. As the cold weather approaches, many of our 5th grade students have petitioned Mrs. Adams to offer an additional art class during their recess time. Mrs. Adams challenged them to write me letters in order to persuade me into approving an additional art class. Not only did I receive 14 letters, our students displayed academic excellence by justifying this addition with stats, educational benefits, as well as humor. Kudos to our excellent staff for offering additional opportunities for our students as well as encouraging our students to find their voice in advocating for opportunities that meet their needs!

Have a lovely and blessed Thanksgiving!
