DECEMBER ROSARY

Prior to our all-school Masses, some of our St. Paul Families will be leading a rosary. All are welcome to join in prayer prior to Mass.

St. Paul Families-

We have been beaming with amazing examples of **Living the Mission** over the Thanksgiving break! I am beyond impressed with how the mission of Jesus follows our students outside of this building. It is truly amazing that our students are emulating Christ in their daily lives! Kudos to you parents for continuing to model what it means to be a servant of God!

Today I am sharing two amazing examples of our students and community **Living the Mission**. We are so proud of you Will, Mrs. Graham, Carson, and all of our students who have stepped up and gone the extra mile to **Live the Mission!**

Blessings on a safe weekend!

Aiden arrived late to the skating party and Will was so cute helping him get those skates on as fast as he could to get his friend up and skating in no time:)

What a great example of Living the Mission and taking the time out to assist someone in need!

I'd like to acknowledge Carla and Carson Graham for your living the mission section of the Halls this week. I saw Mrs. Graham and Carson jump into action when John broke his leg at last week's skating party. Mrs. Graham put her nursing skills into practice to make John comfortable while Carson stayed close to make sure his friend was okay then watched at the door for the ambulance. When I checked in with John's mom later, when I learned John was doing better and Mrs. Graham and Carson were there at her home for a visit, checking in on John. Living our mission by tending to the needs of their immediate community; a classmate and his family. What a wonderful example they are to us all.
