## SPA Families-

Can you believe it? A FULL WEEK OF SCHOOL?? We made it! It was so nice to see the kids for a full 5 days this week. Our halls were alive again with the giggles and smiles and lots of learning! Let's keep praying that winter is winding down and calmer weather stays!

This week I had the privilege of watching our 2nd grade Wax Museum— our kids are seriously the best! They got into character and channeled their inner president as they spoke to all the students and families that came through. I even tried to get some to break character with no luck! Way to go 2nd Grade!!

I hope that mid-winter break (#2) treats you well! We look forward to our normal scheduling when we come back on Wednesday!

Blessings— Mrs. Morrow
