SHROVE TUESDAY BREAKFAST

See attached Flyer for details on our AWESOME breakfast hosted by our 8th grade students!

Living the Mission

Today I would like to highlight the wonderful work of our 7th and 8th grade band students. This year we have participated in a new program along with SJV and St. Stephens where our 7th and 8th grade students attend Band and/or Choir at CC three mornings a week. This has allowed the students to participate with a larger group, generating some great growth and skill in these areas. Recently our students participated in a festival and this is what Ann Reinhard had to share with us:

Congratulations to the 7th and 8th grade Band students from St. John-Vianney, St. Paul and St. Stephens who joined together to perform for the first time at District Band Festival on Wednesday, February 27! The students traveled to Jenison and played three songs on stage that they had prepared. They also went into the sight-reading room and performed a piece they had never seen before. They received great comments from all judges and represented our schools very well! Congratulations Band students!

Our SPA students represented us well! I am proud to see them Living the Mission through excellence in their music education as well as representation of SPA!

Is your child Living the Mission at home?
