# Living the Mission

St. Paul Families-

WOW! Look at that beautiful sun today!! God is good and we have been blessed with a wonderful taste of the Spring renewal that is to come. This week we celebrated Fat Tuesday with a lovely pancake breakfast courtesy of our amazing 8th grade students and parents. Our students waved goodbye to Alleluia as we prepared to begin our Lenten journeys Ash Wednesday. Our Ash Wednesday mass was a beautiful reminder of humbling ourselves and preparing for Jesus' death and resurrection. The students proudly wore their ashes and discussed the sacrifices and good deeds they will be accomplishing over this Lenten season.

On Thursday our 4th grade students went to West Catholic to join other 4th grades from around the diocese for Songfest 2019! As always our students represented St. Paul and their families well! In fact the bus driver made it a point to stop Mrs. Adams and express her appreciation for our students and the respect and politeness they showed. She pointed out that every one of our students said thank-you to her as they departed the bus and how much that meant to her! Way to go 4th grade for **Living the Mission**– it is often the smallest acts of kindness and respect that bring light to this world!

I am so proud of the excellence that our students display on a daily basis. They truly are Living the Mission by their actions, beliefs, and dedication to academics! I hope to see you all at Baja Fish Tacos tonight!

Blessings, Mrs. Morrow
