Information is available in the school office from Detroit Mercy for some summer programs for your children in Reading and Writing. They are starting at 4 year olds through high school. Flyers are in the school office if interested.

LIVING THE MISSION

This week in Living the Mission I want to highlight our amazing students and volunteers from our Lenten activities here at SPA. This lent has been such an inspirational time where I have personally witnessed so many students, families, and friends step up to give a helping hand to those that need it.

I am beyond proud to be a part of a community that shows Living the Mission in their everyday lives and makes a point to be involved whenever possible. I found great joy in watching our students throw fits with their families when they had to leave Fish Taco Nights because they wanted to stay here at school and Church to be with this great community and help! I am privileged to be able to raise my own kids in this community that values God and service to others.

With Easter this weekend, it is only fitting that I celebrate all our students and community in Living the Mission here at SPA! Have a blessed Easter!
