## SPA FAMILY MEETINGS

As we approach the last months of school I had two major goals for my first year as principal of SPA: Building Relationships and Communication with transparency. In an effort to continue these goals Father Peter and I are inviting every family here at SPA to meet with us 1 on 1 for 15min. This is an opportunity to share your experiences, ideas for our future, ask any questions, or bring up areas of improvement. We are excited to sit and talk with all of our families. Please take a moment and sign up for a time. We will continue to add days and times as needed. Our first two dates will be May 1st and 3rd with meeting times between 1-5pm. If these do not work, please email me a timeframe that works better for you.

Thank you for being a part of our future and helping us maintain excellence in all things here at SPA!

*St. Paul the Apostle School will provide a God-centered education, fostering spiritual, intellectual, aesthetic, social, and physical growth, which will enable students to live as faith-filled Catholics in a diverse world.*

You still have time to return orders with payment for the summer GRASP program. Information was sent home before Spring Break and is due back by May 6. If you did not receive the information and still want to order from the program, please contact the school office.

Information is available in the school office from Detroit Mercy for some summer programs for your children in Reading and Writing. They are starting at 4 year olds through high school. Flyers are in the school office if interested.
