Our Biggest Thanks to our amazing Home and School for the special treatment last week during Teacher Appreciation Week. We are so spoiled by all of the amazing treats!!

*St. Paul the Apostle School will provide a God-centered education, fostering spiritual, intellectual, aesthetic, social, and physical growth, which will enable students to live as faith-filled Catholics in a diverse world.*

## 2018-19 BOX TOP WINNERS

Counting of the box tops is finished, and 1st grade is the winner! They had not won any of the prior turn-ins, but they had consistently high numbers and their cumulative for the year was 52.7 box tops per student. They will be rewarded with a pizza party for their class and a jean day!

### St. Paul Families-

Can you believe we are entering June? I for one am in complete denial! Last night we had an amazing graduation ceremony for our 2019 graduating class– I may have cried like a baby when they sang such a beautiful song as well as when it finally sank in that they will be spreading their wings and moving forward to High School. We want to wish them well as they embark on the next leg of their educational journey and remind them that SPA will always be home. I am so proud to call you SPA Alum!

This week we also celebrated our Preschool students with their end of year celebrations. We will now have a new crew of Kindergarteners waiting in the wings and excited to be part of the “big kids” and wear their uniforms next year!

These next few days will continue to fly by as we all get ready for summer break. There is so much going on here at school and I apologize for the multitude of emails but we do want to keep everyone in the loop and make sure that you have ample opportunities to join us in celebrating a great year!

Please continue to pray for Mrs. Quillian and Mrs. Dugan. Mrs. Quillian has begun her treatments and is staying strong while Mrs. Dugan continues down the road of recovery! Your prayers are helping!

Have a wonderful weekend!

Blessings, Mrs. Morrow
